ABOUT US

At Skyline Events & Hire, we believe that every event grand or intimate has the potential to be great. Like an enchanting skyline hovering over the city at dawn, we set a breath-taking backdrop for every function we have the honour of working on. From kids' parties to weddings, workshops, seminars, product launches, and almost any other special event you can think of, we move mountains to please every guest, young and young-at-heart.

Our capable staff spend their days customizing functions big and small in and around Johannesburg and beyond. We'll work closely with you to ensure that your vision comes to fruition through thoughtful layouts and the highest quality event equipment in South Africa. So, contact us today to learn more. We can't wait to make yours the event of the century.

OUR SERVICES

When you choose Skyline for event equipment rental, you can leave every detail to our professional team, so that you can focus on the big day – knowing everything will run smoothly from beginning to end.
